celebrating the new you!

Celebrate the new you by getting the look you've always dreamed of at Lavish Color Salon. Experience firsthand the most advanced color options and styling techniques available in Greater Cleveland. Our thermal straightening and hair extension services are beyond comparison! Let us design a look and style that will compliment your true beauty and will work with your individual lifestyle. Our goal is to exceed your expectations.

**How do we do it?**

**Continuing Education.**  
Our artists engage in on-going regional and national education forums to provide you with the latest and greatest in hair advancements. We know what's hot and what's not!

**Technology.**  
Utilizing the "tools of the trade" gives our artists the technical edge in creating the look, feel and glamour of Paris-London-New York, right here in your own back yard.

**MASTER HAIR DESIGNER AND COLOR EXPERT**  
Tracey Watts-Cirino has over fifteen years of design and color experience. Tracey's love for creating beautiful hair and passion for teaching have allowed her to share her talents across the country as a guest artist at hair shows and at private in-salon seminars.

**OUR VISION**  
To offer the highest level of customer service through state-of-the-art technology, continuing advanced education and a dedicated staff of professionals who will surpass our customers' expectations.

**we create amazing results!**
